Subject Initials: (b) (6)

Notes:

Subject was called yesterday regarding update of pregnancy. Subject stated she was having twins & the OB Gyn has told her she is a high risk pregnancy because of her smoking. The subject stated she was tired & sick all the time but feels OK. I explained I would be periodically calling her on her progress throughout pregnancy. C. Roush 8/23/11

PS. Subject stopped using product after visit 4 (6/22/11) & stopped smoking @ visit 3 may 23, 2011.

Notes:

I contacted Subject on 9/13/11 regarding Follow up for pregnancy. Subject stated she currently is in her second trimester. Subject continues not smoking or using her product. She follows up to her OB/Gyn monthly and she feels "Really good". I explained I would call her in about 4 weeks to follow up in 3rd trimester and after child is born.
